Limited Review Report

The Board of Directors

GMR Enterprises Private Limited

We have reviewed the accompanying statement of unaudited financial results of GMR Enterprises Pvt. Ltd ("the Company") for the half year ended September 30' 2020, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement ('SRE') 2410, Review of interim Financial information performed by the Independent Auditor of Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatement. A review is limited primarily to inquiries of the company personal and analytical procedures applied to the financial data, and thus, provides less assurance than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Company Act, 2013 ('the Act'). We have not performed an audit accordingly we do not express an audit opinion.

We draw attention to note no 2 to the accompanying statement of unaudited financial results for the period ended September 30, 2020 where in the company has made strategic investments in group companies which are long term in nature out of short-term borrowings. In view of this, there is a mismatch of cash flows to service its liabilities and the company is making continuous efforts to raise its capital, monetize assets and also restructure loans to improve its liquidity position and meet its liabilities. Our opinion is not qualified in respect of this matter.
