

Independent Auditor's Report

To,
The Members of
KIRTHI TIMBER PRIVATE LIMITED
Report on the Financial Statements :

We have audited the accompanying financial statements of **KIRTHI TIMBER PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial Statements :

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility :

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion :

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as on 31st March 2017, and its Profit/Loss and its Cash Flow for the year ended on that date.

KSJ

Annexure "B" to the Independent Auditors' Report of even date on the Financial Statements of KIRTHI TIMBER PRIVATE LIMITED.

Report on the Internal Controls on Financial Controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **KIRTHI TIMBER PRIVATE LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

WJ

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note No. 1 Statement of Significant Accounting Policies

1. Corporate Information:

Kirthi Timbers Private Limited ('KTPL' or the Company) is a private limited company domiciled in India.

A. Significant Accounting Policies

Accounting Assumptions

The financial statements are prepared under the historical cost convention on the basis of a going concern, with revenues recognized and expenses accounted on their accrual and amounts determined as payable or receivable during the year, except those with significant uncertainties and in accordance with the relevant provisions of the Company Act 1956 to extent applicable and the provisions of Company Act 2013 to the extent notified.

Revenue Recognition

The Company recognizes significant items of income and expenditure on accrual basis except in case of those with significant uncertainties

Fixed Assets

Fixed Assets are stated at cost of acquisition less depreciation. Cost of acquisition is inclusive of fees paid for the services received towards acquisition, freight, duties, levies and all incidentals attributable to bringing the asset to its working condition.

All the fixed assets are assessed for any indication of impairment at the end of each financial year. On such indication, the impairment (being the excess of carrying value over the recoverable Value of the asset) is charged to the Profit and Loss account in the respective financial year. The impairment loss recognized in the prior years is reversed where the recoverable value exceeds the carrying value of the asset upon re-assessment in the subsequent years.

Depreciation

Depreciation on fixed assets is calculated on a straight line basis using the rates arrived at based on the useful lives estimated by the management or as per rates prescribed under Schedule II of Companies Act, 2013 whichever is higher, except for assets of less than Rs. 5,000, which are fully depreciated in the year of acquisition.

Leasehold improvements are amortized over the period of the lease or estimated useful life whichever is shorter

Investments

Long term investments are valued at cost and provision for diminution in value is made for any decline, other than temporary, in the value of such investments for each category. The Current investments are valued at cost or market value whichever is lower. Cost of acquisition is inclusive of expenditure incidental to acquisition. Income from investments is recognized in the year in which it is accrued and stated at gross.

Kirthi Timbers Private Limited

CIN :U20293KA1995PTC064815

Skip House, 25/1, Museum Road, Bangalore – 560 025.

Earnings per Share

The earnings considered in ascertaining the company's Earning Per Share (EPS) comprise the net profit after tax less dividend (including dividend distribution tax) on preference shares, if any. The number of shares used for computing the basic EPS is the weighted average number of shares outstanding during the year.

Taxes on Income

Current tax is determined based on the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized on timing differences; being the difference between the taxable

Incomes and accounting income that originates in one year and is capable of reversal in one or more subsequent years. Deferred tax assets and liabilities have been computed on the timing differences applying the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Retirement Benefits

Retirement Benefits are accounted for on a accrual basis with contributions to recognized funds such as Provident Fund charged against revenue each year. Liability for gratuity is funded through a scheme administered by an insurer and provision is made on actuarial valuation carried out at Balance Sheet date. Provision for leave encashment is made on actual liability basis for the leave outstanding as at the year end. However, the company does not have employees on its rolls as at the Balance Sheet date.

Other Accounting policies would be formulated in due course as and when required.
