Limited review report for unaudited quarterly standalone financial results and standalone year-todate financial results of GMR Enterprises Private Limited under Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To the Board of Directors of GMR Enterprises Private Limited

We have reviewed the accompanying Statement of unaudited standalone financial results of GMR Enterprises Private Limited (the 'Company') for the quarter ended 30 September 2021 and year-to-date results for the period from 1 April 2021 to 30 September 2021 (the 'Statement').

This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Listing Regulations'). Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements ('SRE") 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India ('ICAI'). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Company Act, 2013 ('the Act'). We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

We draw attention to note 2, wherein the Company has made strategic investments in group companies which are long term in nature out of its short-term borrowings. In view of this, there is a mismatch of cash flows to service its liabilities and the Company is making continuous efforts to raise its capital, monetize assets and also restructure loans to improve its liquidity position and meet its liabilities.

Our opinion is not qualified in respect of this matter.

Other Matters

As described in note 03, the figures for the second quarter in the financial year are the balancing figures between figures in respect of the half year end and the year to date figures upto the end of the first quarter of the financial year. The figures for the quarter ended 30 June 2021 and 30 September 2021 had been reviewed and not subject to audit.

Our opinion is not qualified in respect of this matter.
